Mar 21 · 🌐

On Tuesday, First National Bank hosted "Bank Day" in partnership with the [Virginia Bankers Association](#)!

We had the pleasure of hosting seniors from Dan River, Gretna, and Altavista High Schools, who learned more about managing their financial futures and how we support our community.

Each student will use this information to write an essay that will be judged against other students across the state for a chance to win up to \$8,000 in scholarship money! First National is also proud to award two of these students \$500 scholarships based on the judging of their essays by a panel of our employees.

We would like to thank Landen Mays, Janet Whitehead, Sherease Booker, Bryan Lemley, Jim Minear, Tracie Gallahan, and Brit Campbell for being presenters during the event.

We also extend our gratitude to the VBA for the partnership in this effort, and to [Mellow Mushroom](#) for a great lunch!

Recently, our very own Susan McLamb and Kathy Bane attended the kick-off ceremony for the Virginia Reads One Book (VAROB) program at Meadville Elementary School! We are proud to sponsor Meadville Elementary in this year's program. 💙

Along with participating in the assembly, each read the opening chapter of this year's book, "The Lemonade War" by Jacqueline Davies, to a class! 📖

In addition, our Teresa Patrick and Josie Santiago Cruz participated in the program by reading chapters of the book in both English and Spanish!

We thank Meadville Elementary School, the [Virginia Bankers Association](#) and [Read to Them](#) for their partnership in this outstanding effort, as well as these employees for being active participants in our community. 🙌

Do you know a high school senior with at least a 3.0 GPA? Encourage them to participate in the Virginia Bankers Association Bank Day Scholarship program at First National Bank in Lynchburg on March 18!

Participating students will have a chance to win up to \$8,000 in college scholarships! To be eligible, students must attend the event and then write an essay explaining what they learned. Register for the event here!
